

Mohawk Finishing Products

Welcome to Mohawk's Winter Newsletter. We are excited to show you the new products that we are now offering.

This is a great time of the year to take one of our Training Classes. It's time to learn some new techniques from the Wood Industry's leading professional trainers. We have these classes all over the US, see below for our schedule.

New Colors! **Brush Tip Graining Markers**

The Brush Tip Graining Markers are so popular that we are expanding our color line to 24 colors and four assortments. Featuring a microbrush tip applicator, this revolutionary marker and tip allows you to apply color exactly where it is needed.

- Use to add grain lines or alter the color of a Fil-Stik® Putty Stick, Quick Fill® Burn-In Stick, PlaneStick® Burn-In Stick or E-Z Flow™ Burn-In Stick
- Add color to small sand thru areas on a face or edges of a wooden part
- Add or alter color in any small defect

Below are the 24 colors and assortments.

M265-2201 Assortment #1 includes M265-2000 through M265-2005
M265-2202 Assortment #2 includes M265-2006 through M265-2011
NEW - M265-1203 Assortment #3 includes M265-2012 through M265-2017
NEW - M265-1204 Assortment #4 includes M265-2018 through M265-2023

New, easy to use packaging
Leather Repairing Paste
M850-2034

Repairing Paste is a flexible adhesive that has enough body to fill as well as adhere damaged areas, particularly surface abrasions. It is especially effective where the leather has several small cuts that are raised like "scales." After drying, it is flexible and difficult to detect. For deep cuts, use Mohawk Leather Glue.

Advantages:

- New 2 ounce jar
- Lower cost per ounce

New!
Leather & Vinyl Cleaner Wipe
M850-3000

The new Leather & Vinyl Cleaner Wipe has the same formula as our leather cleaner but in a single use packet. The Leather & Vinyl Cleaner Wipe has a water based, 100% non-solvent cleaner designed to clean gently but thoroughly, without harming the natural beauty and feel of the leather.

- This would be a great add to a customer care kit or a driver's kit
- This can be placed on a clip strip or in a counter bin as a trial to the Leather Cleaner
- Service techs can use this as a one-time wipe when making repairs
