Mohawk Newsletter February 2012

New!

Post-Catalyzed White Sealer

We have just introduced our new Post-Catalyzed White Sealer that offers maximum moisture resistance with excellent hide and sanding characteristics. This sealer is a perfect choice for priming cabinets, millwork and MDF. Available in 1 and 5 Gallon Sizes

Brush Tip Graining Markers

The NEW Brush Tip Graining Marker features a micro brush tip applicator. This revolutionary marker and tip allows you to apply color exactly where it is needed without any messy powders, fluids or odors. This is the perfect color tool for service technicians, shop technicians or factory line technicians.

This is simply the easiest marker that you will ever use!
