Salesman of the Year 2016

Sid Light

Mohawk Finishing Products, Division of RPM Wood Finishes Group, Inc. has announced Sid Light as its' 2016 Salesperson of the Year. Sid was given this prestigious award at the Mohawk National Sales Meeting in Mohawk's hometown of Hickory, North Carolina.

Sid is from Pompano Beach, Florida and has been with Mohawk Finishing Products for 16 years. Sid spent two years working in China as Mohawk's Business Development Manager. Sid was chosen for this award to honor him for his commitment to Mohawk as well as his team leadership skills, excellence in customer service and performance in all facets of the Mohawk business.

Distributor of the Year 2016

Southern Paints & Lacquer

Mohawk Finishing Products is pleased to announce Southern Paints and Lacquer, located in Smyrna, Georgia as the Distributor of the Year for the Fiscal Year 2016. This award recognizes Southern Paints and Lacquer as the top distributor for their sales performance and their support of the Mohawk Distributorship Program to our mutual customers. Southern Paints and Lacquers' growth is a reflection of their leadership and desire to be one of the best suppliers in the industry.

and Lacquer.

New Products

[M211 Series - Sand Thru Stick](#)

Sand Thru Sticks are used to add color to light edges or white edges due to sanding through a finish during the finishing process. This stick will not only add color but it can also fill in small imperfections on the edge.

- Quick and easy to use
- Can be used during or after the finishing process
- Can be used to fill in small imperfections on the edge
- 12 stock colors and a 12 pack assortment
- Custom colors available
- Must be topcoated

[M288 Series-Artisan Glaze Marker](#)

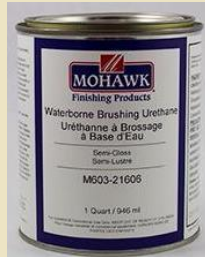

The Artisan Glaze marker is used to create glaze lines in a glazed cabinet or furniture part. The Artisan Glaze Marker can be used to add or

to alter an existing glaze line. This new marker formulation allows you to apply the glaze line to the part and then work the line to blend in to the surrounding glaze effect.

- Quick and easy to use
- Can be used during or after the finishing process
- Can be used to create or touch-up existing glaze lines
- Available in 6 stock colors and a 6-pack assortment
- Custom colors available

Waterborne Brushing Urethane

Waterborne Brushing Urethane is a high quality, non-yellowing acrylic/urethane top coat that provides a beautiful finish that will enhance the beauty of your wood projects. Waterborne Brushing Urethane is low odor, fast drying and low VOC. It is easy to apply and has excellent leveling properties. It is a high solids, self-sealing finish that provides faster build with fewer coats for superior results.

Available in Quarts:

- Water clean up
- Urethane / Acrylic blend
- Low odor
- Easy to use
- Can be brush or spray applied
- Dries quickly
- Excellent leveling properties

- *Perfect for on-site application*

2K Polyurethane ISO Free Topcoat

Mohawk's new 2K Polyurethane ISO Free topcoats are state of the art, 2 part urethane systems that are isocyanate and formaldehyde free coatings. This high solids coating is 550 VOC g/l compliant formulation with user friendly application options. It can be applied by brush or spray.

2K Polyurethane (ISO Free) topcoat is designed for interior wooden surfaces that are exposed to heat, moisture and a multitude of household chemicals. They are the perfect choices for bar tops, restaurant tables, conference room tables or dining room tables because it has superior mar and chemical resistance properties.

This coating builds fast and also has non-yellowing properties.

- *Excellent scratch and mar resistance*
- *High solids and superior build*
- *Non-yellowing*
- *Simple 3:1 mixing ratio*
- *Brush or spray applied*
